JORDY

This innovative system is the ideal solution for your active lifestyle, enabling you to read, write, and see in any environment including work, home, and school. JORDY is a battery-operated, full-colour portable system that can be worn like a pair of glasses to see near, far, and anything in-between.

When placed on its optional desktop stand and attached to any monitor, it becomes a fully functional desktop video magnifier.

- Focus Lock
- Object Locator
- Built-in lighting system
- Up to 30x Magnification
- Extremely lightweight & portable
- Proprietary high-contrast wide field of view
- Auto Focus
- Four (4) Viewing Modes for contrast options
- Headworn Magnifier - one size fits all
- Ready to use - no assembly required
- Two (2) year warranty
